Combotreat Pwd

RXSOL-50-5004 is a dry powder containing Alkalinity builders, Phosphates and Sludge Conditioners. 

Application

The correct level of alkalinity ensures that optimum conditions exist for :

Precipitation of hardness salts in conjunction with phosphate.

Neutralization of acidic conditions. Avoidance of caustic corrosion.

Control of magnesium and calcium salts.

Control of hardness.

RXSOL-50-5004 provides a phosphate reserve to effectively react with and precipitate the hardness salts introduced with the feed water. 

Dose

RXSOL-50-5004 is best dosed by means of a bypass pot feeder directly into the boiler feed line. 

Private Labeling

Private labeling services offer you the opportunity of having our high quality, manufactured products branded as your own. All RX-SOL products can be re-branded with your company name, logo, contact details, and more included on each consignment and, if required delivered direct to a site of your choice with your own delivery paperwork.

Private labeling is a great way to build brand loyalty with your customers. RX MARINE offers full-color private labeling on a wide variety of products to all our customers... and with no minimum quantity. Whether you need 1 or 100, we will place your company name, logo and contact information on the finished product.
