## Hand wash soap lasting suds

Part/Order no:	Packing
RXSOL-41-4113-25	25 Ltr
RXSOL-41-4113-210	210 Ltr

- Penetrates and suspends accumulated soil and grime.
- Safe on all finishes including aluminum, glass and plastic.
- Concentrated for high dilution.
- Contains no salt for thickening, disperses readily.

### WASH SOAPS HIGH FOAMING:

A highly concentrated liquid cleaning formulation containing wetting agents, detergents, and water conditioners for fast penetration and break-up of accumulated soil and grime. Safe guards both truck and car finishes. Will not streak or dull waxed surfaces. Completely safe on all finishes, chrome, rubber, glass, plastics, metal, and aluminum. Will not deteriorate moldings around windshields and doors. Contains no harmful alkalis or solvents.

### Application:

For light duty cleaning, use 1/4 oz. per gallon of water. For heavy-duty truck washing, use 1 to 2 oz. per gallon of water. For use in a air injected foaming brush use, 2 oz. per gallon of water. Apply to surface with wash mitt or soft brush covering the entire surface then rinse with clear cool water.

### ADVANTAGES

- Removes road film, insect stains, oil and traffic films, mud, exhaust film and salt.
- Rinses and air dries freely without streaking or dulling finishes.
