RXSOL-41-4137-210	210 Ltr

WINDSHIELD WASHING SOLUTIONS:

This special product contains a special spreading agent, detergents, and penetrating agents to clean windshields after being diluted with water. Deep Blue is a real money saver when diluted with water for non-freezing conditions. This windshield cleaner will penetrate and clean bugs, dirt, and grime. This product is made to be diluted 1 gallon to 54 - 100 gallons of water.

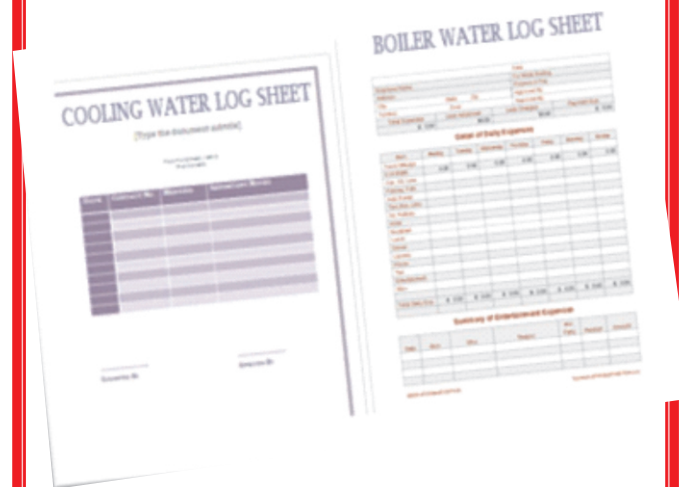

This product may be used for a glass cleaner when diluted 1 to 120 parts water.

Cooling water/ Boiler Water Logsheet

In order to be able to follow the performance of your boiler, main and auxiliary engines, Rx Marine International provides you with water treatment log sheets where daily log entries can be made. Apart from keeping track of the performance, the log sheets are also a valuable tool for troubleshooting.
