

Dish Wash

RXSOL-15-3007-001

RX Marine International

Description:-

RXSOL is ideal for stainless steel, crockery, cutlery and non-stick cookware. Only RXSOL has the double power of lime and vinegar. Lime cleans out the toughest grease and bunt stains while vinegar removes residual food.

Technical Specifications:

TWO WAYS TO SPARKLING DISHES

- * For tough grease, pour just one drop of RXSOL Dish Wash is a ideal solution on scrub or sponge and apply on the utensil.
- * For regular cleaning, dilute a few drop of RXSOL Dish Wash in a bowl of water.
- * Dip the scrub or sponge in the solution and use. For re-use, just dampen the sponge and use when required.
- * Washing with RXSOL leaves on scratches or residue on utensils.
